

North Shore Environmental Consultants Inc. is a progressive environmental company that specializes in providing environmental management and consulting services. Since our inception in 2002, North Shore has offered cost efficient and effective solutions to the complex environmental challenges faced by today's industries. We offer our employees exceptional career development opportunities and an excellent team-oriented working environment.

North Shore is currently seeking **Summer Students and Seasonal Staff** for our **Vegetation Management Team**, based out of **Lacombe, Alberta**.

Key Responsibilities:

- Complete vegetation assessments and weed management activities in forested, native prairie, and cropland settings
- Assist with assessment and reclamation projects in Alberta
- Complete daily cost tracking and project status reports
- Implement corporate and client safety programs
- Ensure that project requirements are met in a timely and effective manner
- Provide assistance to senior staff in the office

Qualifications:

- Preference for candidates currently or previously enrolled in a Technical Diploma or University Degree Program in environmental science or related discipline
- Strong vegetation and weed identification skills
- A valid pesticide applicator certificate would be considered an asset
- Willingness to travel and be in the field for extended periods of time
- Excellent communication, writing, and problem solving skills
- Proficient with Microsoft Office Suite and database entry
- Good understanding of upstream oil and gas regulatory requirements, particularly reclamation criteria
- Valid driver's licence
- Good physical health and ability to work outdoors in varying conditions
- Willingness to work within a team environment
- Highly organized and have the ability to prioritize multiple tasks

North Shore Environmental Consultants Inc. supports a shared commitment to a Representative Workforce that is respectful and reflective of all staff and clients. North Shore strives to build diversity among our staff to increase our ability to provide high quality service to our diverse client base.

Please submit your resume via email to careers@northshoreenv.com. We thank all applicants for their interest; however, only those considered for an interview will be contacted. For more information about North Shore, please visit our website at www.northshoreenv.com.

This position will remain open until a suitable candidate is found.
